f. Escort service was commenced for secret cryptographic equipment being sent overseas by the Office of Communications. It is estimated that approximately 3,200 man hours per year will be expended by the Office of Security on this service through 1962.

g. The President amended EO 10501 to allow the use of regular first class mail for dispatching confidential material. The Policy Staff is engaged in a staff study so that Agency policy regarding this relaxation may be determined.

h. The Physical Security Inspection Tour in the WH area was completed during the month.
